Skills targeted	The course opens students to other artistic fields, which are close to their future practice, in order to enrich their field of reference and to stimulate an interdisciplinary work approach.
General learning objectives	
Teaching content and form	During a cycle of lectures, the different teachers of the Master's degrees and invited guests speak about their specific subjects and practices as researchers.
Forms of assessment and validation	The professors will organize assessments at the end of the semester. The assessment will be based on the outcome of a final assignment and the student's regular attendance to lectures. The student must achieve a minimum grade of 4 to obtain credits.
Remedial teaching	If a student receives a failing grade, but not below 3.5, he/she can present additional work to correct the shortfall. In the event of a grade below 3.5, the student must repeat the module the following academic year, in accordance with procedures agreed to with the Director of the module. There is no remedial measure after repetition of the module.
Professors	Ann-Christien Bertrand, Wayne Daly, Roland Früh, Claus Gunti, Anniina Koivu, Brynjar Sigurdarson, Joël Vacheron and guest lecturers
