**Pictures by © ECAL/Younès Klouche**

—

**Big Fold by ECAL/Chelsea Park & Jakob Reuter**

A backpack with integrated foldable rain poncho.

Material: CottonShell, buckles, buttons and straps.

—

**Day Camera Bag by ECAL/Yesul Jang & Kohei Kojima**

A sustainable camera bag for the casual photographer.

Material: CottonShell, felt, buckles and straps.

—

**Dot Dot Dot by ECAL/Alexandre Picciotto & Thomas Missé**

A sustainable, padded, roll-top backpack with bubble wrap imprint.

Material: CottonShell, felt, buckles and straps.

—

**Four by Three by ECAL/Oscar Estrada & Ignacio Merino**

A backpacking bag, consisting of three different sized separate bags strapped together.

Material: CottonShell, felt, buckles and straps.

—

**Rain Umbrella & Shoe Protection by ECAL/Youjung Jeong & Mu-Hau Kao**

An umbrella with the spring steel unfolding mechanism of a photographers' reflector and shoe covers to protect your shoes when it is raining with the spring steel folding mechanism of 'slap bracelets' to wrap around the ankle.

Material: CottonShell, spring steel and aluminum.

—

**The Traveller Scarf by ECAL/Catarina Pacheco & Sebastian Maluska**

A scarf with hidden pockets, to have easy access to your personal items when for example flying.

Material: CottonShell and loden (wool).
