Skills targeted General learning objectives	Several workshops are offered to the students of all the majors of the Master HES-SO in Design, in order to allow them to share their experiences in the field of creation and innovation, and to develop competences in different fields.
Teaching content and form	The workshops take place at ECAL and HEAD-Geneva from 25 to 29 October 2021. The workshop's contents will be detailed no later than October 2021.
Forms of assessment and validation	The project carried out is subject to evaluation by a college of teachers at the end of the workshop. To obtain credits, students must obtain an average mark of at least 4.
Remedial teaching	Remedial teaching is possible in case of slightly insufficient results (3,5 grade), under the conditions agreed with the head of the module. The module must be repeated in the academic year following a fail mark, according to procedures to be agreed with the head of the module. No remediation is possible after repeating the module.
